the Club.

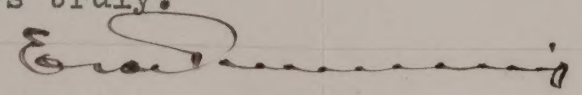

was due September 1st last and as the
August I am afraid it is impossible to

not sure if you desire to carry on
or wish to resign - will you please
let me know by return mail as the Committee will be on my tail
otherwise for allowing the matter to run on.

Have actually had quite a decent amount of
rain and if followed up will assure a fairly good winter.

With kind regards.

Dear Aubrey.

Afraid I must worry you again re matter of your subscription to the Club.

This was due September 1st last and as the Club year expires next August I am afraid it is impossible to let the matter drift on any longer.

I am not sure if you desire to carry on your absentee membership or wish to resign - will you please let me know by return mail as the Committee will be on my tail otherwise for allowing the matter to run on.

Have actually had quite a decent amount of rain and if followed up will assure a fairly good winter.

With kind regards.

Yours truly.

Eric Cumming.
